Books for Keeps

ABOUT DAN WALKER

Dan lives in the centre of the UK, just outside Nottingham, with his lovely, patient and supportive wife Dominika.

He spent his childhood being dragged up and down the hills of the Peak District, frantically hammering away at computer games and raiding his cousin's bookshelf for anything with a colourful cover. He later tricked the University of Derby into allowing him admission, before graduating with a first-class degree in English. Since then, he has worked with a procession of wonderful people in bookshops, libraries and schools. He currently helps to run a specialist Autism centre.

On the rare occasion you find Dan away from the computer, he can normally be found trying to tease a melodious sound out of his guitar, re-reading his favourite books for the eighty-eighth time or fighting off everyone nearby for the last blueberry in the pack.

WHAT DOES IT TAKE TO BE A GOOD SKY THIEF?

In the book there are "good" and "bad" sky thieves. "Good" sky thieves steal from the "bad" and rich sky thieves and give money to the poor. Like in a Robin Hood story.

List five characteristics of a "good" sky thief on the *Dragonfly* airship.

1)

4)

2)

5)

3)

DESCRIBE YOUR FAVOURITE CHARACTER

Now, pick your favourite character from the book and describe him/her in one paragraph (5-7 sentences). Write a reason why you picked this character.

You can start by writing:

My favourite character in Sky Thieves is Zoya Delarose because she reminds me of my younger sister. Zoya is brave, feisty and kind. She doesn't hesitate to help others, despite being in great danger. She picks up new skills quickly, especially sword-fighting, that she later learns come in handy during fights...

LIGHTS, CAMERA, ACTION!

Sky Thieves is like a movie. Its action-packed plot and dialogue work as a perfect script that can be performed by actors.

Act out a scene from the book. For this, you'll need a director and actors. Allocate roles to each other and don't forget the props! A director, under the supervision of your teacher or librarian, will film the scene on a camera (a good quality camera on a smartphone or tablet will suffice). Perform chosen scenes in groups and review the clips with the rest of the class.

Consider running an Oscars ceremony, where the best actor and director are voted for by your teachers, librarians and fellow students.

HELP ZOYA FIND THE TREASURE

When Zoya Delarose joins the *Dragonfly* she learns from Captain Vaspine about the long-lost treasure. Help her get to the treasure by finding a way through the maze.

GUESS WHO?

These characters from *Sky Thieves* are telling us something about themselves. Can you guess who says what and match up their names with the descriptions on the left?

Lendon Kane **Rosie Blake** **Mr Whycherley** **Doc** **Beebee** **Carlos Vaspine**

What I say	Who am I?
1) I'm very strong, very tall and I have a fondness for birds.	
2) I always wear black and I am the best swordfighter on the <i>Dragonfly</i> .	
3) I am famous throughout the sky for my evil deeds and I wear a top hat.	
4) I am fascinated by sky thieves and you'll find books about them in my office.	
5) I have bright red hair, a cat called Sol and I am the smartest person on the <i>Dragonfly</i> .	
6) I once worked with Jupiter and Dominika and I am the captain of the <i>Dragonfly</i> .	

DESIGN A BOOK COVER

The book cover for *Sky Thieves* shows one of the scenes from the novel, where Zoya bungee-jumps off the *Dragonfly*. There are explosions in the sky and another airship in the distance. You can also see a city below the action.

Now it's your turn to design a new book cover. Think about your favourite scene from the book and draw your own cover for *Sky Thieves*.

WRITE A BOOK REVIEW

Other readers will always be interested in your opinion of the books you've read. Whether you've loved the book or not, if you give your honest and detailed thoughts then people will find new books that are right for them.

If you're stuck on what to say in a review, it can help to imagine you're talking to someone who's asking you whether they should read the book.

1) Start with a couple of sentences describing what the book is about

But without giving any spoilers or revealing plot twists! As a general rule, try to avoid writing in detail about anything that happens from about the middle of the book onwards. If the book is part of a series, it can be useful to mention this, and whether you think you'd need to have read other books in the series to enjoy this one.

2) Discuss what you particularly liked about the book

Focus on your thoughts and feelings about the story and the way it was told. You could try answering a couple of the following questions:

- Who was your favourite character, and why?
- Did the characters feel real to you?
- Did the story keep you guessing?
- What was your favourite part of the book, and why?
- Were certain types of scene written particularly well - for example sad scenes, tense scenes, mysterious ones...?
- Did the book make you laugh or cry?
- Did the story grip you and keep you turning the pages?

3) Mention anything you disliked about the book

Talk about why you think it didn't work for you. For example:

- Did you wish the ending hadn't been a cliff-hanger because you found it frustrating?
- Did you find it difficult to care about a main character, and could you work out why?
- Was the story too scary for your liking, or did it focus on a theme you didn't find interesting?

4) Round up your review

Summarise some of your thoughts on the book by suggesting the type of reader you'd recommend the book to. For example: younger readers, older readers, fans of relationship drama/mystery stories/comedy. Are there any books or series you would compare it to?

5) You can give the book a rating, for example a mark out of five or ten, if you like!

Here's a template you may wish to use.

Name.....School/class/reading group.....

Book title.....

Author.....

1) What's the book about?

2) What did you particularly like about the book?

3) What did you dislike about the book?

4) Round up your review

5) Out of 5 stars how would you rate this book?

BONUS QUESTION: WHAT WILL HAPPEN NEXT?

On the thief ship, skipping through the clouds, hundreds of miles above the earth, with the wind in her hair and a job always there to be done, with everything to learn, friends and good people around her, she realized things had never felt more...right. Zoya Delarose had never felt more at home. (p.293)

What do you think will happen next? Will Zoya stay on the airship? Where will she go next? Is evil Lendon Kane finally defeated and no longer a threat?

Write a short paragraph (5-7 sentences) describing what happens next. Once written, swap your answers with your fellow students and read them out loud.

The story of Zoya Delarose and the sky thieves continues in Book 2. Find out what actually happens next in *Desert Thieves* and see how close you were with your predictions.
